RAFTING

At **Adventures on the Gorge**, there is a rafting trip for everyone. Whether you're looking for an experience with your family on the **Upper New River** (where kids as young as 6 can raft!), or you're ready for the biggest whitewater on the East Coast on the **Upper Gauley**, or something in between, Adventures on the Gorge has the trip for you!

On the New River, raft the kid-friendly **Upper New**, where **kids aged 6-11 raft for free** with each paying adult. Or head downstream to the iconic Lower New River, where scenic splendor in the heart of the New River Gorge National Park awaits.

Fall brings Gauley Season, when legendary rapids are created from scheduled dam releases. While the Upper Gauley is recommended only for seasoned rafters, the Lower Gauley brings thrills for entry level rafters.

On our exclusive Best Run of the Day trip, our knowledgeable guides will select the best river and section for your group to raft. This is the option for you if you have rafting experience and you're looking for a totally unique rafting trip!

Adventures on the Gorge is proud to offer the best overnight trips on both the New and Gauley Rivers. Our expert guides double as chefs, campfire builders, and storytellers, helping you to create memories to last a lifetime.

The river is turbulent, with white water splashing over rocks. The sky is a clear, deep blue. The overall scene is serene and majestic.
